PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

CAUTION: Harmful if inhaled or absorbed through the skin. Avoid breathing vapor or contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID:	
If inhaled:	<ul style="list-style-type: none">- Move person to fresh air.- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.- Call poison control center or doctor for further treatment advice.
If on skin or clothing:	<ul style="list-style-type: none">- Take off contaminated clothing.- Rinse skin immediately with plenty of water for 15-20 minutes.- Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment advice.	

GENERAL INFORMATION:

This lure is designed to increase [improve] [enhance] the attractiveness [effectiveness] of cockroach monitoring [glue-boards] [and] devices. This lure can [also] be used with EPA registered cockroach baits in [generic] baiting devices [stations] to increase [improve] [enhance] the attractiveness of the bait to German cockroaches. This lure is designed to increase [improve] [enhance] [encourage] the interaction of German cockroaches with insect glue-boards, insect monitoring devices and EPA registered cockroach baits.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use with insect glue-boards:

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)
- 3) Place lure on center of glue-board-**gloss side down** and press firmly into glue surface.
- 4) [Reseal lure package.] *for 20 lure pack*
- 5) Replace lure every 21 days.
- 6) Discard used lure according to pesticide disposal instructions on label.
- 7) Apply new lure following instructions 1-3 [1-4] *for 20 lure pack.*

For use with insect monitoring devices/stations containing glue-boards:

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)

BACK PANEL-PAGE 2 of 3

- 3) Most monitoring devices have holes or perforations to allow for release of attractants and pheromones. Open device [station] and place [position] lure on device surface over hole or perforation with- **non-gloss side exposed to air** to allow for optimal release of pheromone.
- 4) Place glue-board on top of lure covering the- **gloss side**.
- 5) Close device [station].
- 6) [Reseal lure package.] *for 20 lure pack*
- 7) Replace lure every 21 days.
- 8) Discard used lure according to pesticide disposal instructions on label.
- 9) Apply new lure following instructions 1-5 [1-6] *for 20 lure pack*.

For use with cockroach baits in baiting devices/stations:

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)
- 3) Apply pea-sized drop (0.5 gram) of bait to center of **non-gloss side**.
- 4) Open device [station] and carefully place [position] lure on flat inside surface of baiting device [station]- **gloss side down**.
- 5) Close device [station].
- 6) [Reseal lure package.] *for 20 lure pack*
- 7) For heavy infestations, replace bait as consumed.
- 8) Replace lure every 21 days.
- 9) Discard used lure and bait according to pesticide disposal instructions on label.
- 10) Apply new lure and bait following instructions 1-6 [1-7] *for 20 lure pack*.
- 11) If bait label specifies more frequent applications of bait, replace lure and retreat with bait according to application schedule on bait label (following instructions 1-5) [1-6] *for 20 lure pack*.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in a secure (preferably locked), cool dry area out of reach of children and pets until ready for use.

Pesticide Disposal: Wastes resulting from use of this product must be disposed of on site or at an approved waste disposal facility.

Container Disposal: Dispose of empty lure wrapper in sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Warranty Statement: Woodstream Corp. and its subsidiaries will not accept liability for damage or injury resulting from use not in accordance with label instruction.
